Implementation Date: October 2026

Policy Statement

Cochrane Figure Skating Club (CFSC) is a membership-based organization recognized by Skate Ontario, the governing body for CFSC, and by Skate Canada which is the governing body of Skate Ontario.

The purpose of this policy is to contribute to the growth and development of skating for our community in a safe sporting environment by providing our CFSC skaters and out of town skaters with guest skating procedures.

This Policy strives to provide increased accountability to both parties and provide a mechanism for transparency, identification of governance issues and an enhanced commitment to safe sport.

Scope

Star skaters who are registered through Skate Canada with a club other than the Cochrane Figure Skating Club are welcome to skate during the CFSC's regular StarSkate sessions as guest skaters.

General

Guest skaters must follow the mandatory requirements:

- Guest skaters must first email the Board at cochranefsc@gmail.com to advise of the date(s) and session(s) they wish to attend.
- Guest skaters may skate a maximum of 2 times per month *(provided space is available and approval has been obtained from the Board)*
- A guest skate ticket in the amount of $25.00 per session must be paid online through Uplifter before taking the ice
    - *This purchase will require the creation of a members account within the CFSC Uplifter system; if the guest skater is related to a current CFSC member, they can be added to that member's account as a New Skater*
- Guest skaters (& their parent/guardian if skater is < 18 years of age) must abide by the Cochrane Figure Skating Conduct & Ethics Policy
- Skaters are required to bring their guest skating ticket with them to the arena *(printed or digital)* and show it to one of the coaches prior to skating.
